QUALITY COMMITMENT STANDARDS

A. I agree to meet or exceed the standards established in the International Code Council Construction Standards and listed in the Contractor Quality Commitment Standards of this document along with local codes, laws, and ordinances. I also agree to arrange for all permit and/or licensing fees in connection with any project that I am involved with and require these expenditures.

B. I agree to provide a one (1) year written warranty that meets or exceeds the standards that are established in the quality commitment programs.

C. I agree to abide by the findings of the Quality Review Committee and promptly respond to and rectify defects as defined by the codes and standard as stated in paragraphs A and B above.

D. I agree to use written contracts and change orders. All prices and specifications will be described in detail both honestly and accurately.

E. I agree to use only materials equal to or exceeding the quality of those specified in the contract and/or as required by code where the code shall be used as the minimum standard. Any modifications to the materials stated in the contract shall be conveyed to and accepted by the consumer in writing.

F. I agree to maintain a credit rating that is acceptable to my creditors, suppliers and subcontractors, and which conforms to the generally accepted practices within the building industry and as established by the Board of Directors of the Wayne County Builders Association.

G. I agree to supply the Wayne County Builder's Association with proof of Workmen's Compensation Insurance, if I have any employees. I will also provide proof of Liability Insurance with minimum coverage of \$500,000 per occurrence. I agree to have certificates furnished to the Association as a certificate holder and they shall be named in the caveat to be notified when and/if the policy is cancelled or is no longer valid.

H. I hereby agree to waive any and all claims against the Pennsylvania Builders Association; the Wayne County Builders Association; the Quality Review Committee; or any individual that makes a report or take action pursuant to the provisions of the Contractor Quality Commitment program as adopted by the Wayne County Builders Association.

I. I have read, and agree to abide by, the Code of Ethics and the Contractor Quality Commitment Standards in order to establish and maintain credibility and assure public confidence with members of the Wayne County Builder's Association.

CODE OF ETHICS

The goal of the members of the Wayne County Builders Association, Inc. is to provide quality products and services at reasonable prices. Promote the well being of our association and project an image that is recognized for quality and fairness within the building industry, within our community and in our country through the American free enterprise system in accordance with the following Code of Ethics:

Honesty: Honesty and integrity shall be the guiding principles by which we conduct our business affairs.

Fairness: We shall be fair in all our business relationships; i.e., pricing, contractual agreements, restraint of trade and negotiations; in order to give our customer the best possible value for their dollar.

Laws: We shall comply with the letter, intent and spirit of all federal, state and local laws, ordinances, directives and adopted National Standards that affect building construction. We will work with legislators and national and state organizations to improve these laws and standards. We shall abide by the By Laws of the Wayne County Builders Association, Inc.

Insurance: We shall always maintain amounts of insurance coverage for our business, employees, and customers as defined by the Board of Directors.

Safety: We shall provide safe and healthy workplaces, as well as construct structurally and environmentally safe buildings. We are aware of the standard of Occupational Safety and Health Act (OSHA).

Design: We shall strive to design aesthetically pleasing, environmentally sensitive, functional, well situated and energy efficient new and remodeled buildings with appropriate drawing, contracts and specifications.

Quality: We shall conduct all of our construction work and related services in a careful and workmanlike manner in keeping with the building industry standards of quality.

Professionalism: We shall strive to manage our business to meet professional standards of the building industry and continue to learn by experience, education, research and sharing with one another in a healthy competitive spirit.

Scheduling: We shall provide our customers with realistic schedules and make every effort to expedite the work on these projects to meet the scheduled dates.

Warranty: We shall acknowledge any defects in our workmanship and materials and if necessary, correct them in a mutually agreeable and timely manner.

Payments: We shall pay all of our invoices in a mutually agreeable arrangement with our creditors.

Opportunity: We shall be an equal opportunity employer and not discriminate in the sale of any of our products and services or in our hiring and employment practices.
